FORWARD

Unity Christian Academy is founded on the belief that God is the source of all truth. The "Logos" is the principle of divine reason and creative order, and therefore, we exist to discover truth in creation, pursue wisdom from above, and cultivate virtue within our students. In some ways, we are to Beaufort County what a farmer is to his soil. We strive to continually restore our students to their intended fruitfulness, both in the Kingdom and in their life.

We believe that the greatest form of education includes a good home with virtuous parents, and because of this, we choose to operate only as an extension of this setup. In its simplest form, we are no more than relationships and can be no better than the trust between each. Parent to child, child to teacher, and teacher to parent (and its opposite flow) make up Unity; a triangle of relationships.

One of the ways our community seeks to cultivate virtue is by rejecting vice. The purpose of our Code of Conduct is to communicate the behavioral policies and expectations of the school in order to maintain a Christian environment conducive to the training and instruction of young people. It does not attempt to address every situation that may arise during the school year.

VISION STATEMENT

Our vision is to serve Eastern North Carolina by providing a genuine Christian education that elevates academic standards, the character of our students, and the understanding of their faith.

MISSION STATEMENT

Our mission is to graduate authentic Christian leaders who discover truth in Creation, pursue wisdom from above, and cultivate virtue in one another.

SCHOOL MOTTO

Pray for wisdom; Practice virtue.
